LIVING

The European kitchen,
reimagined.

INNOVATION STARTS HERE

THE MATINNO DIFFERENCE

The most innovative European kitchen brand.

Designed in Europe and produced in the USA, Matinno Living pairs a semicustom, modular system with one-of-a-kind patented finishes — over 100 design collections, engineered to fit your space and built to last.

01 100+ design collections

A semi-custom, modular program that adapts to any space.

02 Two cabinet box options

AquaBox water-resistant PB core, or Premium-Ply plywood box.

03 Drawer systems

Blum, Indaux, Evolution, Quickmotion, or plywood. Silent soft-close runners with smooth, full extension.

04 Factory-direct, made in the USA

Engineered in Europe, produced locally.

Three signature finish collections

Registered finishes with a complete match between texture and design — from supermatte to mirror gloss.
